वर्ष 1981 में भारतीय आयुर्विज्ञान अनुसंधान परिषद् (आई० सी० एम० आर०) तथा भारतीय समाजिक विज्ञान अनुसंधान परिषद् ने 'सबके लिए स्वास्थ्य— एक वैकल्पिक कार्यनीति' नामक एक प्रकाशन निकाला था । इस रिपोर्ट में स्वास्थ्य वितरण प्रणाली के विभिन्न पहलुओं को शामिल किया गया था और लोगों के स्वास्थ्य स्तर में सुधार लाने के लिए परिवर्तनों का सुझाव दिया गया था जिसमें अन्य बातों के साथ-साथ अधिकाधिक सामुदायिक सहभागिता के माध्यम से, सम्वर्धनात्मक, निवारक और रोगहारक कार्यों का एकीकरण तथा कमजोर वर्गों के लिए विशेष परिचर्चा की बात शामिल थी । इसमें पोषण, शिक्षा और पर्यावरण जैसे कारकों पर भी यथोचित बल दिया गया है । इसमें की गई सिफारिशों पर राष्ट्रीय स्वास्थ्य नीति, 1983 तैयार करते समय विचार किया गया था और उन्हें समय-समय पर कार्यनीतियों, विशेष कर निचले स्तरों पर तैयार करते समय अपनाया गया है ।

Guidelines for opening of Medical/dental colleges

1333. DR. YELAMANCHILI SIVAJI: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) what are the guidelines of Government, Indian Medical Council, Dental Council and Nursing Council in regard to opening of Medical/Dental Colleges as well as Nursing schools in the country;

(b) what steps have been taken to implement these guidelines;

(c) what is the role of State Government in this direction;

(d) what remedial measures are being taken against State Governments as well as tdose institutions violating the norms; and

(e) what are those institutions which have violated the norms?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI D. K. THARA DEVI SIDDHARTHA): (a) to (e) The respective Councils have issued guidelines requiring that permission of the State Governments and State Councils be obtained and the standards in respect of teaching staff and other facilities as prescribed by the Councils be adhered to before approvals are considered in the case of new institutions. The Government of India have also issued instructions to State Governments requesting them to notify the public if institutions function without the approval of the Councils and caution the students against joining such institutions. If any institution is opened and found deficient in fulfilling the requirements at the time of inspection such approval is withheld. As per information provided by the Medical Council of India, 15 Medical Colleges have not been approved by the Council. As per the information provided by the Dental Council of India, 30 Dental Colleges have not been approved by the Council.

Development of Cancer units in A.P.

1334. DR. YELAMANCHILI SIVAJI: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government have received any representation from the Government of Andhra Pradesh for assistance for development of cancer units around Vijayawada and Guntur; and

(b) if so, what are the details thereof and the action taken thereon?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI D. K. THARA DEVI SIDDHARTHA): (a) and (b) There was a proposal for development of Oncology Wing in Siddhartha Medical College, Vijayawada. No financial assistance under the National Cancer Control Programme could be provided for the purpose during the year 1991-92 due to paucity of funds.
